January 2007 Newsletter

The holiday's are coming to an end and we're sure your batteries were charged and your cameras ready to take advantage of some fabulous photo shoots with family, friends, and loved ones. Did you capture your whole gang in matching pajamas, mom and dad kissing under the mistletoe, Spot fashioning his reindeer antler hat, and the sweater that made it through the entire family before it was re-gifted back to you? These are times to remember and we hope you will stop by and let us show you how to preserve your memories in style.

Our halls are still decorated with many new holiday papers for Thanksgiving, Hanukkah, Christmas and New Years. We have embellishments, stickers, brads and ribbon to match and coordinate.

We, wish you the brightest New Year and good health and happiness in 2007!
